THÉÂTRE DE LIÈGE

Set in the heart of the city, the Théâtre de Liège plays a major role in terms of artistic creativity.

Its rich and varied programme includes the work of famous directors and choreographers from Belgium and abroad as well as internationally-known actors like Mélanie Laurent, Emmanuelle Béart and Vincent Perez, and emerging artists - representatives of culture today and ambassadors of culture tomorrow.

The Théâtre de Liège, Wallonia's leading stage, is located at the centre of the Euregio and transcends borders with its collaborations with prestigious international institutions: the Festival of Avignon, the Théâtres Nationaux de la Colline and de Chaillot in Paris, the Berlin Schaubühne, the Venice Biennial, the National Theatre of Korea to name but a few.

Creativity is a stimulating force and when employed by a company, can enhance its appeal. The Théâtre de Liège is keen to associate its image with dynamic and talented economic partners, and play its part in the region's development.

With an emphasis on wood, concrete and glass, the **Théâtre de Liège** occupies a total area of **7.800 m²** (83,958 sq ft) blending neoclassicism and contemporary design.

Columns, mouldings and gilding cohabit with **Vitra furniture** by Jean Prouvé, a famous French designer, creating a pared-down but warm atmosphere.

In this **sumptuous setting**, right in the city centre, the Théâtre de Liège provides rooms and facilities for your meetings, seminars, cocktails, receptions and any other event.

The Theatre has its own technical equipment and furniture (tables, chairs, bar tables, etc), a real advantage for organisers.
