

THÉÂTRE
DE LIÈGE

A setting for your events

SPACE RENTAL AND CORPORATE EVENTS

Set in the heart of the city, the Théâtre de Liège plays a major role in terms of artistic creativity.

Its rich and varied programme includes performances by major Belgian and foreign directors and choreographers, internationally renowned actors (Mélanie Laurent, Emmanuelle Béart, Vincent Perez, etc.) as well as emerging artists, witnesses of today's culture and advocates of tomorrow's.

As the leading stage in Wallonia, the Théâtre de Liège, at the heart of the Euregio, transcends borders through its collaborations with prestigious international institutions: the Festival d'Avignon, the Théâtre National de la Colline and Théâtre National de Chaillot in Paris, the Schaubühne in Berlin, the Venice Biennial, the National Theatre Company of Korea, etc. Creativity is stimulating and, in the service of a company, can increase its attractiveness.

The Théâtre de Liège is keen to associate its image with that of dynamic and talented economic partners, and thus participate in the development of its area.
